## DEDICATED TO THE CLASS OF '62

A '62er is a hero to a freshman, a freshman to a college, Caesar with a state trophy, Mr. Bongo with a desk top, joy and tears with a diploma.

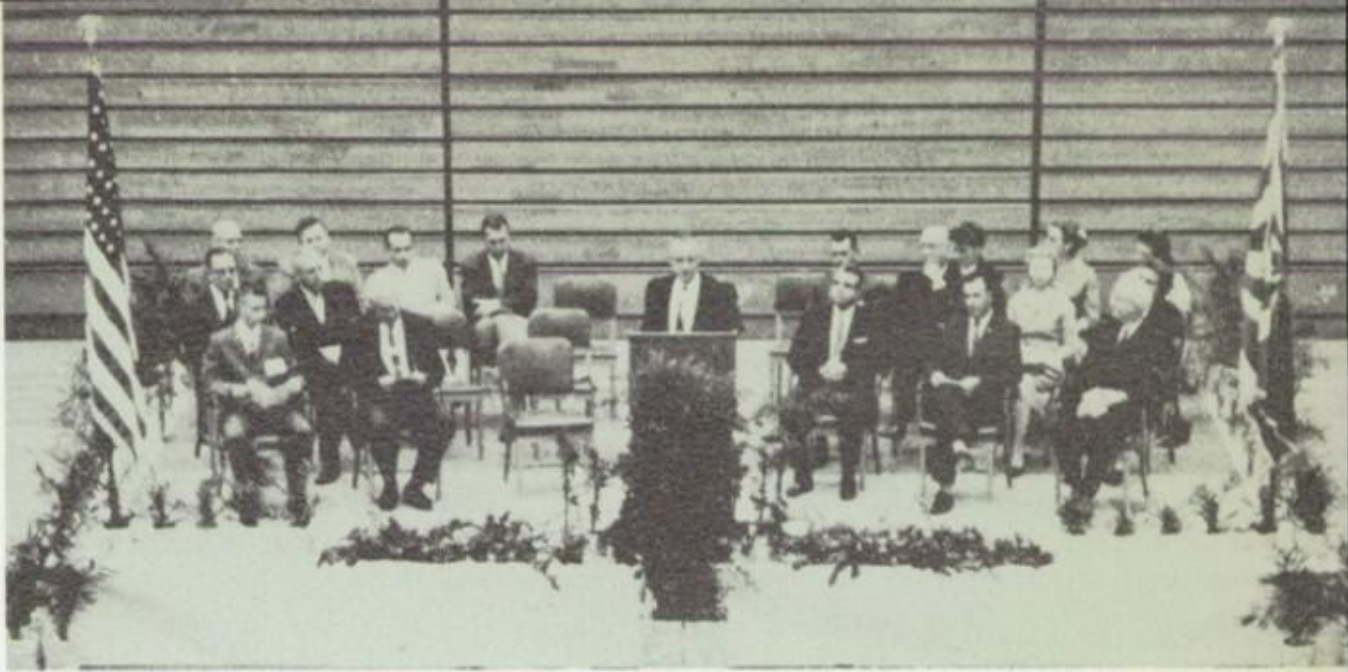

A '62er anxiously awaits the future, yet cannot resist a sentimental glance at the past. He thrills at the prospect of his new freedom, yet fears it. The world is his to conquer, and this he will do with his own individual talents.

In 1958, the '62ers and Rincon were both freshman; now they are seniors, and each will hold forever the memories of the past four years. The '62er is ready to begin his journey into the world, and Rincon will gather and share its memories with others.

In this yearbook are bound the memories of the '62ers. With this in mind, the staff dedicates this 1962 RAWHIDE to the class of 1962.

You are part of a school which has completed its fourth year of service to the Tucson eastside, four years of building and growing both for the institution and the students herein. For the seniors, the spring semester of 1962 has ended with a fond farewell to Rincon after four years of education here. Juniors, sophomores, and freshmen all move up one more notch now to fill vacated traditions.

IN THE BEGINNING . . . Rincon High School as an institution began in the planning stages in 1948 when a forty-acre tract of land was purchased for \$25,000. Architects Place and Place then designed a school that was modern, and above all, practical. Actual building began March 25, 1957, and Rincon was ready for occupancy by the fall semester of 1958.

Opening day found building and improving books to be bought, labs to be stocked with everything from

a Rincon which still left much to be done. On the inside, there were be equipped and educational departments to basketballs to classical literature.

Outside, there was grass to be planted and much landscaping to be done. In the next four years there would be an auditorium, greenhouse, stadium, girls' gym, and numerous other minor improvements to be built and installed on the campus.

and an esprit Rincon. There was be set by a faculty who interested in organizing a program for the new students.

Spiritually, there was the "Ranger Reputation" of excellence to be established, an emblem to be designed, de corps to be established by the students of a new educational standard to were all high-caliber

department, vocal music department, and instrumental music department. Minor improvements such as the addition of tennis courts, the construction of the track, and the development of landscaping continued until the major efforts were directed to the building of the auditorium, completed for use in January of this year, the greenhouse, available for the biology department in September of 1961, and the erection of the stadium, which was initiated this past fall.

The most important features of Rincon's construction are now visible facilities;

only the addition of a locker room stadium and a swimming pool the future. You have seen our

its growing phase, and can now appreciate versatile buildings in Tucson.

EDUCATIONAL OPPORTUNITIES WERE ADVANCED . . . Undoubtedly the largest amount of work was poured into the area that would reap the greatest benefits; that was the development of the educational facilities in every department. Just to name a few of the outstanding tasks which lay before each department before school opened, there was an entire science department to stock with lab materials, research publications, and live specimens to be studied. The English department had to acquire teaching aids such as records, movies, and research material for student use. The shops each had to be equipped with tools and materials to make possible the teaching of graphic arts, wood working, and welding. The music departments had to purchase uniforms and choir robes, music and instruments. And in the counselors' offices, plans for future education of Rincon graduates were already in the making.

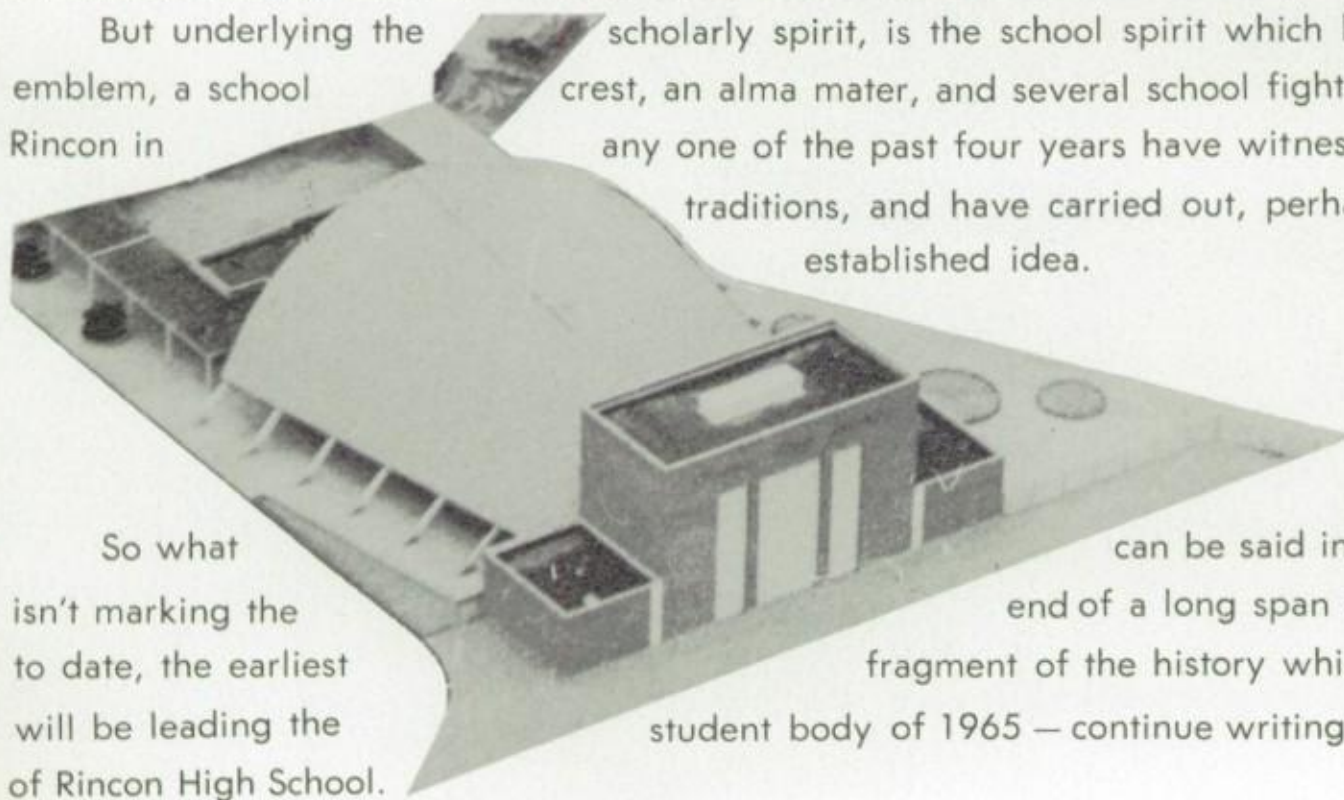

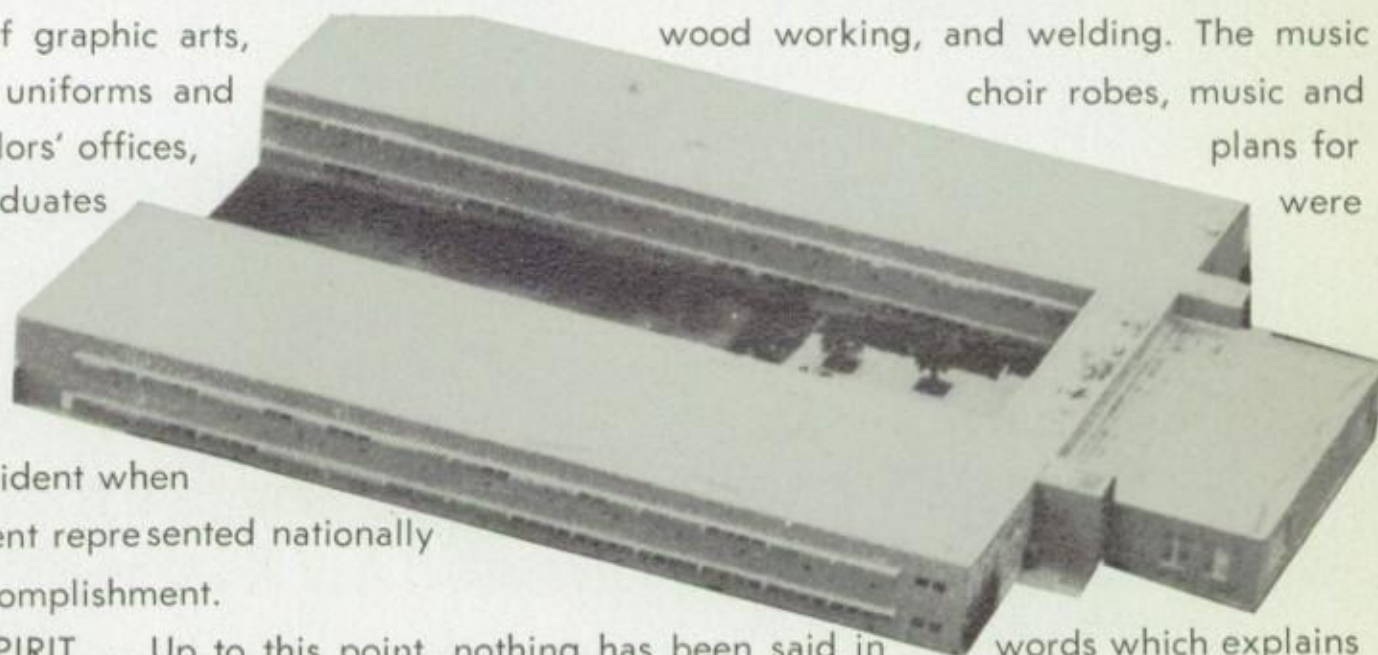

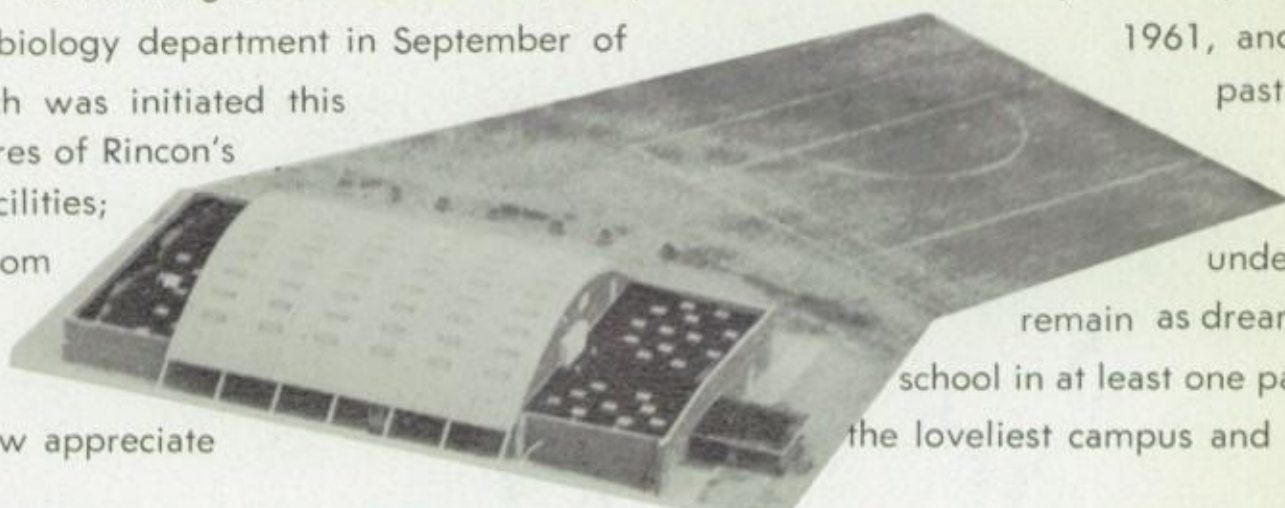

What have the early efforts of Rincon's dedicated faculty and administration produced? Results are quite evident when we find nearly every department represented nationally through its high scholastic accomplishment.

SCHOLARSHIP BREEDS SPIRIT . . . Up to this point, nothing has been said in words which explains the spirit of Rincon students. Actually, by what is said in the preceding paragraphs our spirit is evidenced. With an attractive campus and modern facilities, the morale of the student body is lifted by the brightness of it all.

But underlying the scholarly spirit, is the school spirit which has prompted the design of an emblem, a school crest, an alma mater, and several school fight songs. You who have entered Rincon in any one of the past four years have witnessed the growth of more traditions, and have carried out, perhaps subconsciously, each established idea.

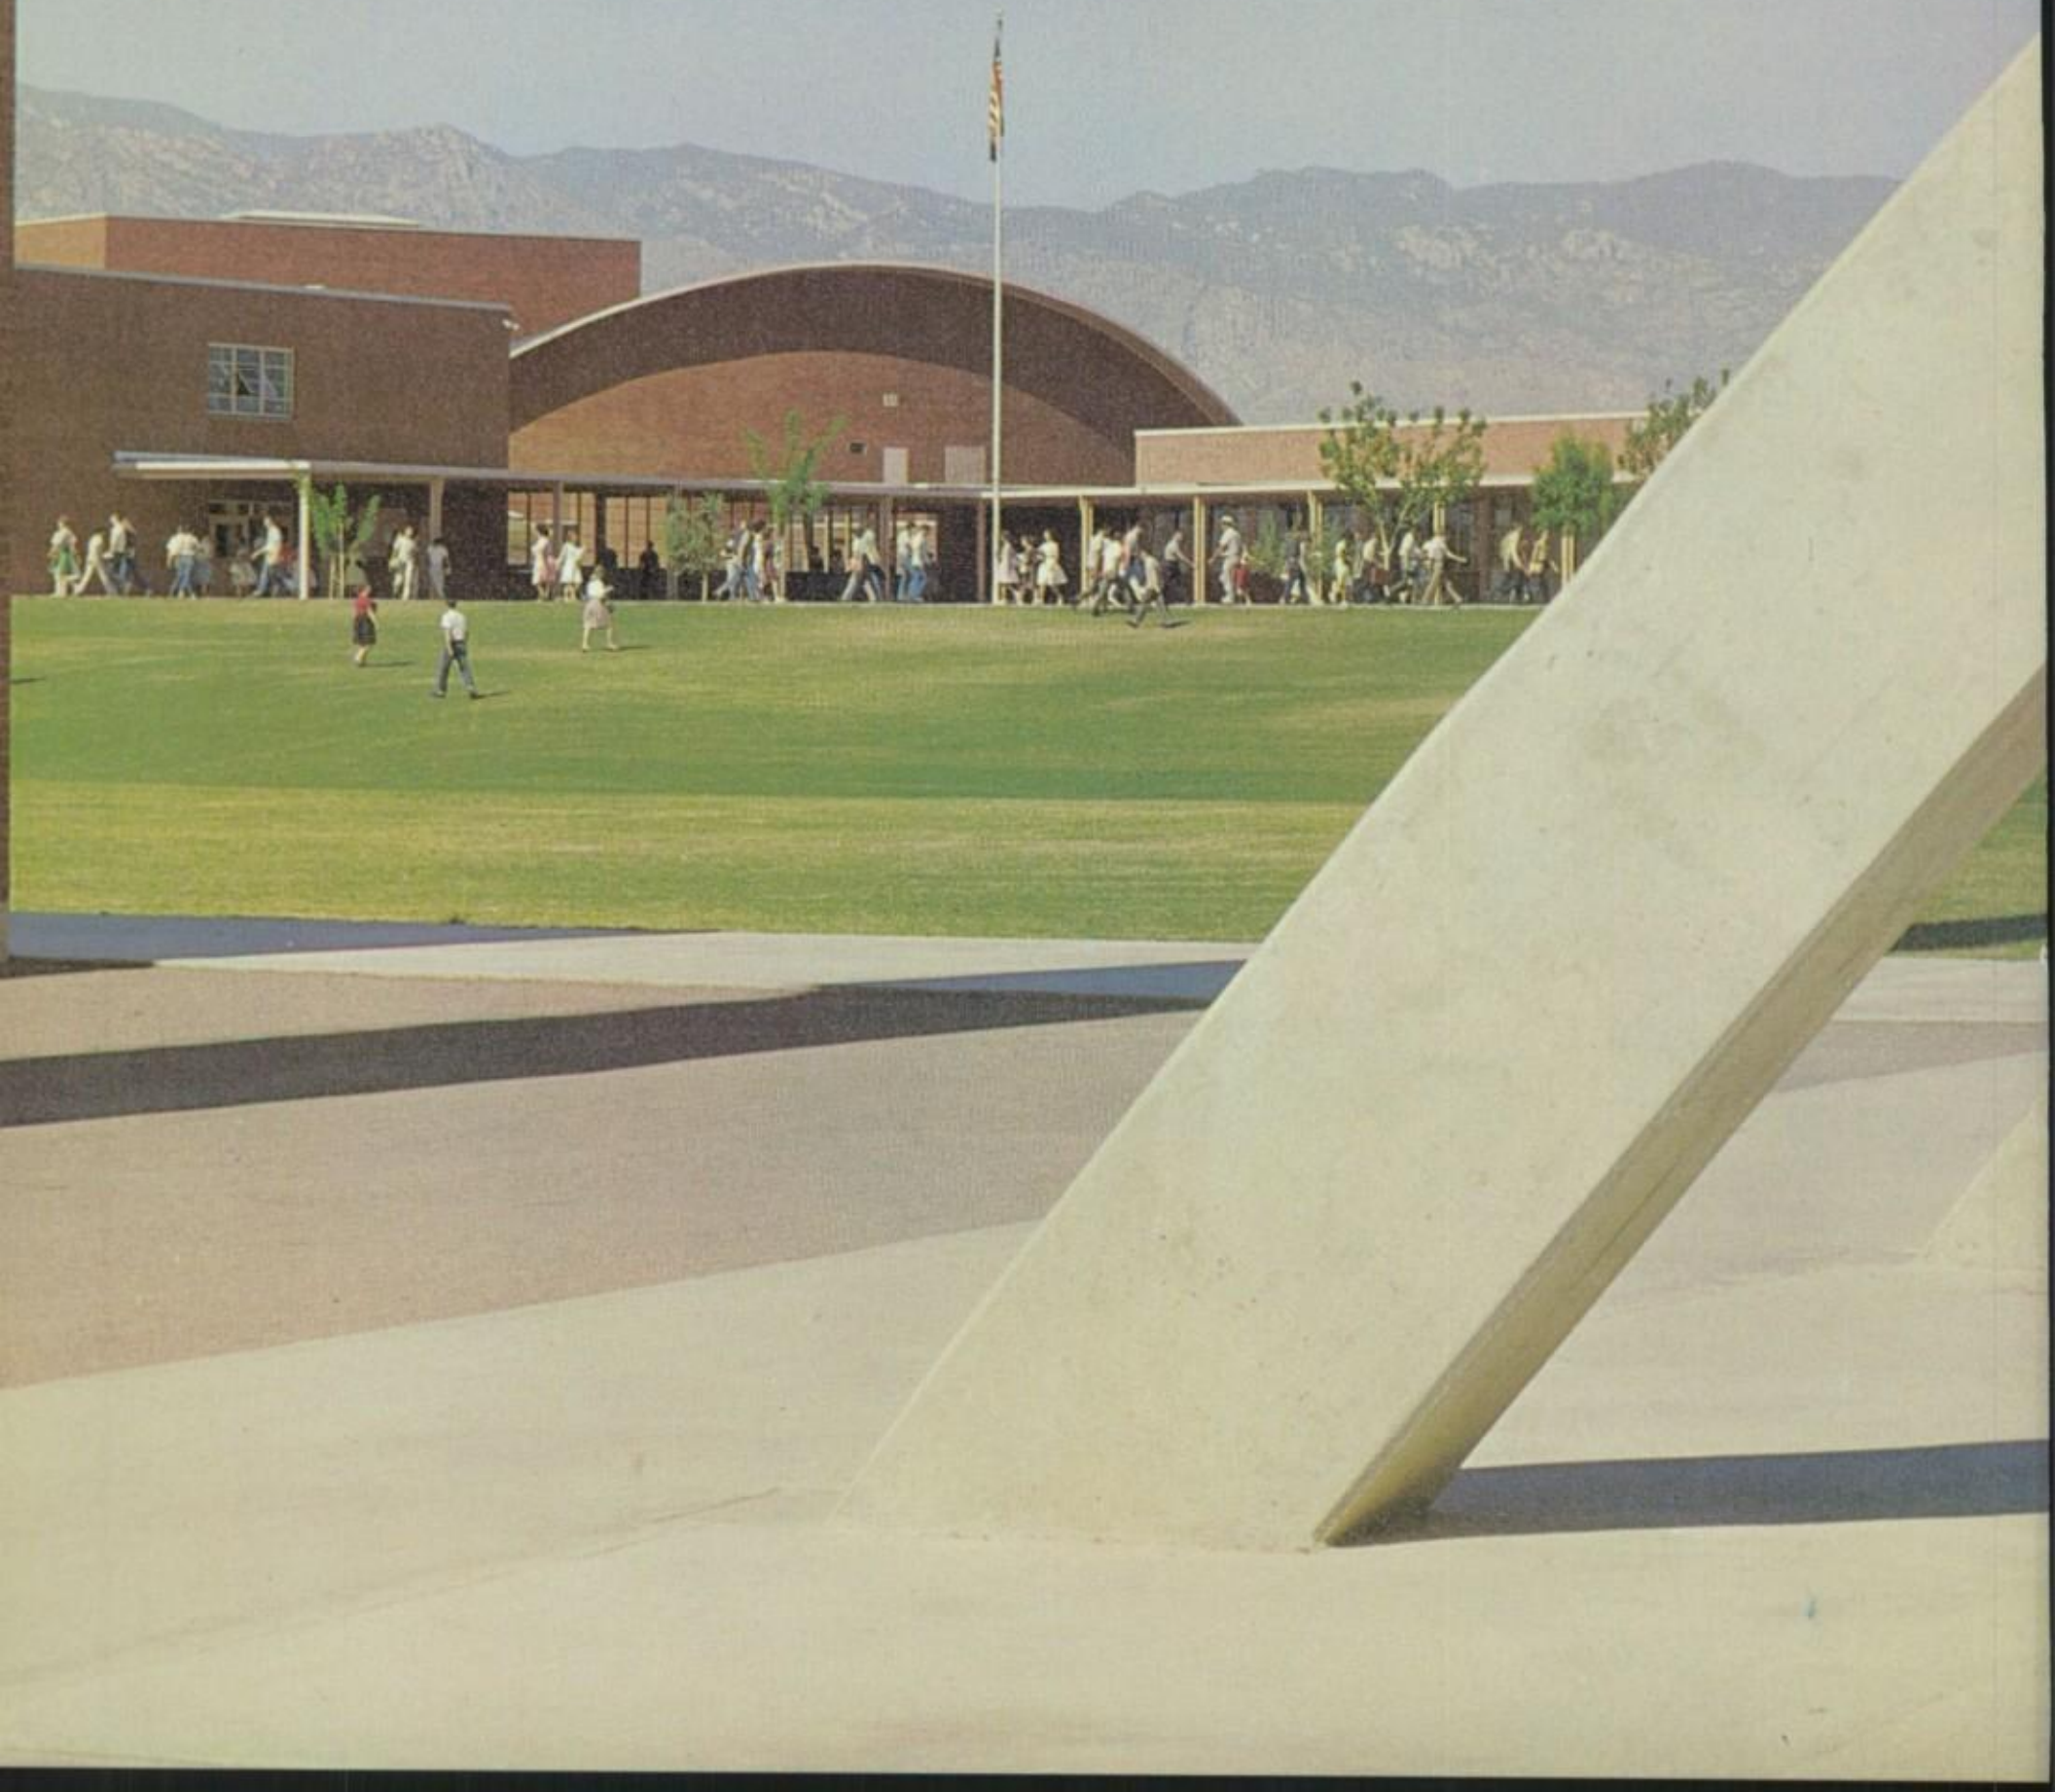

So what isn't marking the to date, the earliest will be leading the of Rincon High School.

What is Rincon? In Spanish, Rincon is a corner. The Rincon that we know is school at the corner of Swan Road and Fifth Street. It covers 40 acres of land. The 55,630 square feet of floor space contains: 55 classrooms, a language lab, 10 shops, 2 gyms, an auditorium, a greenhouse, a bookstore, 8 counselors' offices, an administration building, cafeteria, and stadium. The nurse's office, which is located in the administration building, pulls in 150 customers a week (which is 50 less than the counselors' office, which holds an average of 200 except at the "semester rush" when the figure doubles).

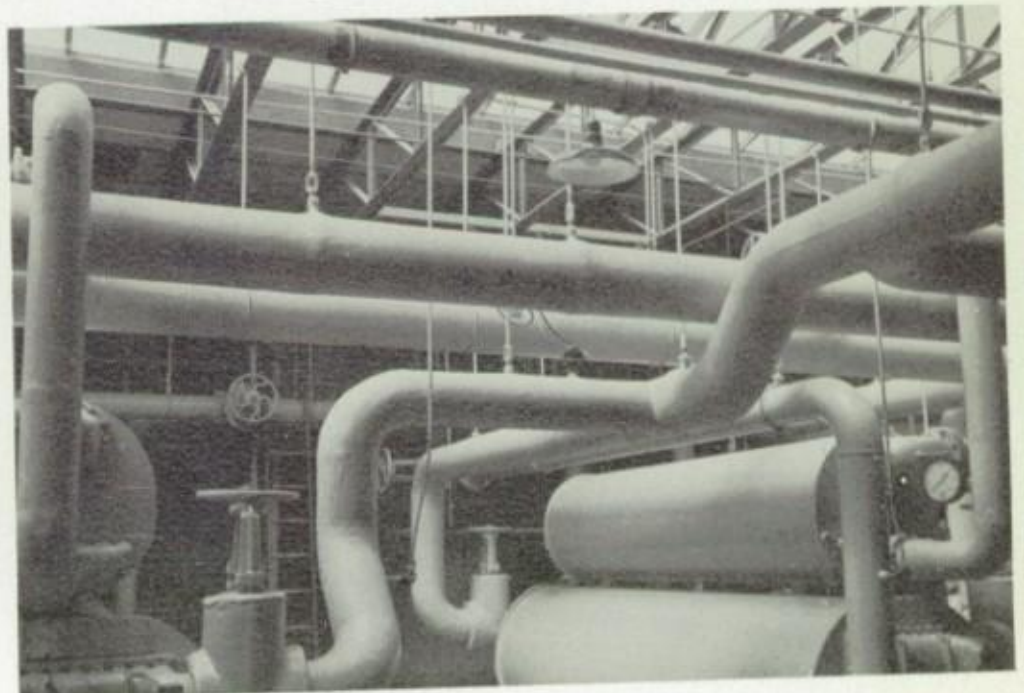

The glass portion of the school is so expensive that it took one man seven weeks to do the wash job when the school was newly completed. The maintenance staff takes care of the acres of grass which is watered from Rincon's own well.

Eleven cafeteria employees prepare and serve 2800 doughnuts during the 17 minute snack breaks.

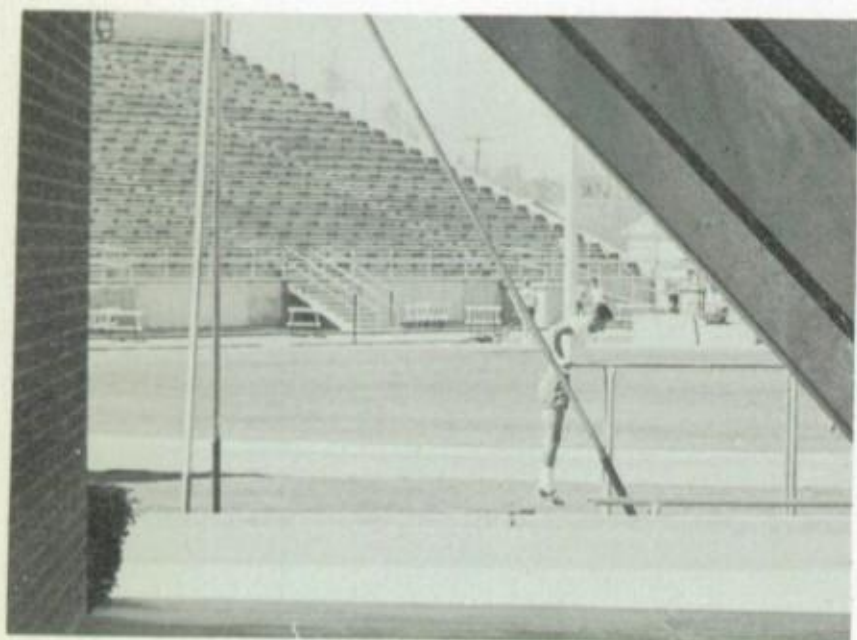

The 1501 desks of the classrooms are occupied by students putting in 20,130 student learning hours each day. In addition to countless hours of preparation teachers work 960 lecture and lab hours.

Two complete days of school run each day from 6:00 A.M. until 12:00 noon and from 12:15 until 6:15 P.M. using a total of \$60.50 worth of gas and electricity per day.

Statistics may be drab, but Rincon is everthing and then some to 3355 Rangers.

The lovely campus shots on this page, taken by Mr. Gordon Russell, portray a glowing future to be written in the pages of Rincon history. At the top left is pictured the recently named "Senior Patio" which will remain as a revered section of the campus to seniors and underclassmen as well. This colorful and functional patio will be the scene of many parties, dances, and leisure hours of study under clear Tucson skies.

Our distinctive auditorium will house not only large lecture classes and student body assemblies, but also performances by student and adult talent on subjects varying from Beethoven to Shakespeare and Woodie Guthrie to Jim LaRue.

Rangers will fill the bleacher ranks to cheer for award winning teams who will sweep state honors in every division of athletics. Our heroes of today will become the greats of every vocation field as we predict the continuing success of such people as Leslie Bell, Dan Schneider, and Paula Welch.

You may wonder why this volume of the yearbook has played up so strongly the scenes from the Rincon campus; the reason is quite obvious. Throughout every shot in the book, there is a memory of past experience and a foretelling of future achievement. The buildings of our campus represent scholarly achievement through knowledge of English, math, and science and success through athletics, industrial skill, and artistic creativity through art, music, and drama. When you graduate, Rincon will deserve a large part of your thanks for the many new avenues of life opened to you.

ADMINISTRATION AND FACULTY

## PRINCIPAL'S MESSAGE

It is most fitting that this yearbook be dedicated to the class of 1962, our first graduating class to have spent all four years at Rincon. This class has shown outstanding leadership and has established standards of excellence which all future classes may well emulate.

Led by the class of 1962, our students have won statewide, and even national, recognition for academic achievement, as well as for excellence in many other school activities. The entire student body has worked for and benefited from these successes, leading to a unity and loyalty seldom found in so large a school. It has been a wonderful experience to work with all of you and, in the future, it will be a pleasure to relive this year through the pages of this yearbook.

As it leaves Rincon High School, the class of 1962 has the best wishes of us all. We are certain that the devotion of this class to a tradition of excellence will lead its members into worthy and successful futures.

Edith Johnston

Eight counselors assist over 3,500 Rincon High students in three major areas of counseling: educational, vocational, and personal. To help the student meet graduation requirements is the aim of educational counseling. In this area, the counselors are aided by an extensive library of college catalogues. Vocational counseling includes helping the student decide on a profession, job or vocation. The counselors are able to give aid in the area of personal counseling by advising the student in new situations and in his relationships with other people.

Our counselors are specially trained and highly qualified in the area of counseling. Each one of them is ready and willing to help students in need of their services.

## JUNIOR CLASS OFFICERS

Under the sponsorship of Miss Wong and Mr. Ledesma, the Junior Class rounded out a very successful year. Interest and enthusiasm reigned high in the Class of '63, as Juniors actively participated in varied activities throughout the year. In the fall they sponsored a mixer after the Mesa football game, and later in the year, sold shares for the American Field Service. The highlight of the year came on April 28, with the memorable Junior Prom, "Oriental Fantasia."

Tom — I've had a great  
 time with you this year.  
 You're going to have to move  
 so that you can go to Palo Verde  
 with me! Thanks a lot for this  
 record — I love it! I enjoyed  
 all the dances — even if I am  
 allergic to your coat! ~~Be~~ Be  
 seeing you during the summer.  
 Best of luck in your semester tests!  
 Love,  
 Carol

## FRESHMEN CLASS OFFICERS

The Freshman Class began their year with the election of class officers. Roland Arellano was elected President. Bill Andre was chosen as Vice-President and Gwen Gunderson as Secretary-Treasurer. Advisory Board activities centered around planning the Freshman Dance in May. Being the largest class at Rincon with over a thousand members, would appear to pose a problem; however, the unity displayed in their first year indicates the success of the Class of '65 in the future.

President — ROLAND ARELLANO

Vice-President — BILL ANDRE

Secretary — GWEN GUNDERSON

CLUBS AND ORGANIZATIONS

Working on the **Rawhide** is an enriching, rewarding experience for interested journalists who are willing enough to accept the worries and work of meeting deadlines, along with the fun and lasting friendships made as a result of yearbook service.

New staff members, at first bewildered by the busy bustle of "old-timers," soon find the area of work to which they are best suited, and are assigned tasks which may vary from running errands to voting on an appropriate cover design; but chiefly, their job is to help with the design and layout of each page of the **Rawhide**. Editors and advisors, as well, must be persons of varied talents who are willing to work long hours and resolve difficult problems to bring the **Rawhide** to you.

## TEEN CITIZEN

The job of each Teen Citizen reporter is to report the news and events of his school to the **Tucson Daily Citizen**, Tucson's evening newspaper. During the week, these reporters must report and write up interesting news items, and supervise accompanying pictures, if necessary.

On Saturday, editors and reporters meet at the office building of the **Citizen** to arrange the articles on the pages allotted them. Rincon should be grateful to the R.H.S. reporters for the fine job they have done this year.

## GIRLS' AND BOYS' STATE

**Row 1:** Janet Ide, Julie Loper, Carol Lacy, and Mary McKee. **Row 2:** Mike Manning, Mike Armstrong, Bob Jackson, Victor Lee, and Bill Broyles.

During the second semester each year, the faculty is asked to pick outstanding students as delegates to Girl's and Boy's State. The students assemble for a week, girls at the University of Arizona and the boys at Flagstaff, to learn about government, and actually participate, by forming cities, counties and states, and electing officials for each. In this way, and through association with government officials, they learn the fundamentals of government, and gain a greater appreciation of our political system.

## ANYTOWN

Gayle Flanagan, Celia Goldman, Darrel Brasch, Marvin Barg, Carol Goldbaum, and Roberta Wright

Each summer in Prescott, delegates attend Anytown, a workshop in human relations. The delegates divide into groups for the one week, and discuss different cultures and religious, and the problems involved in living and working together harmoniously. Delegates have an opportunity to meet many people of varied backgrounds, and to discuss controversial subjects and local problems.

After these students return home, they speak to individuals and groups about the importance of a united world with due respect to all races, religions, and cultures.

## ART HONOR SOCIETY

Students who excel in art are eligible for membership in Rincon's chapter of the Art Honor Society. Club members and their sponsors, Mr. Meyer and Miss Misto, often attend local art exhibitions and shows. Members also participate in field trips and listen to guest speakers discuss and answer questions about different forms of art.

Diane Gajewski, Geri Wisener, Nancy Turner, Margaret Dinsmore, Larry Benedict, Susan Tillman, Kathy Daer, Nancy Young, and Nancy Buffum.

## AMERICAN FIELD SERVICE

The American Field Service Club, better known as the A.F.S., has one main purpose—to promote the exchange of foreign students. Every year Rincon sends students to different parts of the world with the money raised by the A.F.S. Their fund raising projects include sale of the usual exchange student stock shares, and the traditional faculty-senior basketball game.

Without this worthwhile club, we would probably be unable to send Eva Jo Molloy, David Coleman, Larry Bradley, and Mike Price to distant lands, or to have Jorgen Dalgaard and Zarrin Golwalla become important members of our student body.

To become a member of this select and talented group, a student must be enrolled in an advanced printing class. Mr. Tassi is the sponsor of Rincon's Printing Club.

## SENIOR TRI-HI-Y

The senior girls in Tri-Hi-Y completed another successful and active year. After initiating the sophomore club, they sponsored a pre-model legislature meeting, displayed their vocal talent in Christmas caroling, and sponsored a car-wash to aid the needy. At model legislature in Phoenix, Rincon's Senior Hi-Y was commended for housing more members of the pre-legislature than any other club in the city. In February after the final basketball game of the season, the Letterman's Sweetheart and Attendants were announced.

## GIRLS' LEAGUE

All Rincon girls are either active or inactive members of Girls' League, the service organization which, among other things, decides on slogans for the spirit cards. At the beginning of each year, Girls' League presents the annual Senior Fashion show, with senior girls modeling clothes from Tucson stores. Every year a deserving senior girl is chosen to receive a Girls' League scholarship, for use at the college of her choice.

Acting as sponsors of Girls' League were Mrs. Elizabeth Lange, and Miss June Holcombe.

Mr. Johnson serves as sponsor of the Hall Monitors.

The Homeroom Representatives are responsible for discussing the minutes of each meeting with their homeroom classes. Several food and clothing drives are organized yearly by the Homeroom Representatives. Mr. Phillips is the sponsor of this group.

The art of judo teaches methods of self-defense. Although it is similar to wrestling, it depends more on skill and knowledge of the body's weak spots, than on weight and strength as wrestling does. Rated at the bottom of the Division 4-AA conference poll at the beginning of the year, the Rincon Rangers fought their way to a second-place standing in the city. The Ranger eleven, under the leadership of head coach Bill Lovin, line coach, Andy Rumic, and back-field coach, Oscar Carrillo, opened their season with a smashing 27-6 win over the Amphi Panthers in the initiation of our new stadium. The squad then went on to trounce Salpointe and Glendale, and, in the most thrilling game of the season, our powerful eastside rival, Catalina, 14-12.

The Rangers then fell into a five-game losing streak, suffering defeats at the hands of Pueblo, Catalina, Carl Hayden, and Mesa. Although the final score of the Mesa game showed a loss, it left Lovin's boys with the knowledge that they had played a harder game, and had come closer scorewise to Mesa than any other team. In the last game, the Rangers snapped the losing streak, and ended the season with a sound victory over Sunnyslope and a 5-5 season slate.

Sparked by the pin-point accuracy of quarterback Mike Armstrong's passing, the scrappy but inexperienced **Rangers** initiated the new Rincon stadium with a victory, upsetting the **Amphi Panthers** in the season opener, 26-7. Ranger Mike Manning tallied the first score for Rincon in a 14-play, 51-yard drive. Other Ranger T.D.'s were racked up by Armstrong and Rakich.

Scoreless during the first three quarters was the contest between the **Salpointe Lancers** and the **Rangers**. Mounting tension finally broke in the final few seconds of the game when a 34-yard pass from Ranger Mike Armstrong to rookie end Bill Jones gave Rincon the game with a 6-0 score.

As had been the case in previous Ranger victories, the stalwart forward line was the deciding factor in the 27-6 upset over **Glendale**. However, at half-time Coach Lovin's usually scrappy backfield unit found themselves three yards in the hole, but still held a 14-0 lead. Because of the coordination between Armstrong and Jones, two touchdowns were made in the second half to end the Ranger scoring and the game.

Picked by the local AA coaches to finish last in the conference, **Rincon** chalked up its fourth straight win over **Catalina**, before a crowd of nearly 8,000 to maintain a hold on the conference lead. Hard-running halfback Mike Manning scored both Rincon tallies, quarterback Mike Armstrong booted both conversions, and defensive ace Tommy Norvelle blocked both Catalina conversion attempts to pace the action. The hard-charging Rincon line headed by Bob Orin, Doug Forte, Mike Hess, and Jim Brogdon kept pressure on Catalina in the second half to bottle up the one-touchdown favorites. The Trojans, pre-season favorites for the football flag, dominated the statistics throughout the game, but it was the husky line of Rincon that stymied Catalina on crucial plays, and won the game, 14-12.

Facing the team that was to go on to become the top team in the state, the **Rincon Rangers** with a 4-0 slate lost a hard-fought contest to the **Pueblo Warriors**. This game, won by the Warriors 27-6, pushed Rincon down to second place, holding a 3-1 conference record at that time.

To wind up the season, the **Rangers** smothered **Sunnyslope** 19 to 7. The first score was set up by Armstrong who completed a six-yard pass to Alden. Mike Manning scored the other two touchdowns, and "the team picked to finish at the bottom of the pile" ended up with a respectable 5-5 season record.

The Rincon Junior Varsity football squad, under the able coaching of Wayne Swoveland and Jim Davis compiled a victorious season boasting a 7-1-1 record. The Rangers shut out Amphi, Salpointe, Pueblo, and Douglas, tied Catalina, and tasted defeat only at the hands of long-time foe Tucson High. With a hard-playing team like our Jayvees, next year's varsity team should be a strong competitor for city and state standings.

Under the direction of Coach Joseph Rosbeck, the Purples fought their way over Salpointe, Flowing Wells, Amphi, Sunnyside (B), and our own Rincon White team. The Frosh tied Pueblo, and tasted bitter defeat only at the hands of Tucson High and Catalina. These young football players have not only tucked away an outstanding season, but also valuable experience for the future.

# BASKETBALL

The Rincon basketball squad coached by Dick King, compiled a 10-8 season record in spite of having only four returning lettermen. The '61-'62 slate began victoriously when the Rangers sunk Sunnyside 48-45. After losing the second game to Tucson 34-41, Rincon bounced back to edge past Yuma 47-45 and Salpointe 38-36. Boosting its record to 4-1, the Ranger team trounced Phoenix Union 54-44. Rincon then lost its next two games to Pueblo 38-41 and Amphi 35-41.

The following two games against Carl Hayden and Catalina were won by the Rangers with scores of 46-42 and 51-47. Then the Rincon team was downed by Phoenix Central, Tucson, and Salpointe before smashing St. Mary's 53-45. These were followed by a loss to Pueblo, victories over Camelback and Amphi, and a defeat by Washington. The season was brought to an exciting close as the Rangers tromped the Catalina Trojans 50-43.

With the help of **Ranger** high-scorers Bob Jackson and Jim Kellogg, the Purple and White opened a 10-8 season by deterring the hopeful **Sunnyside** roundballers in a close 48-45 battle. Given the most resistance by Devil ace Gary Childs, the Ranger quintet pulled through a 43-point tie with only two minutes to spare.

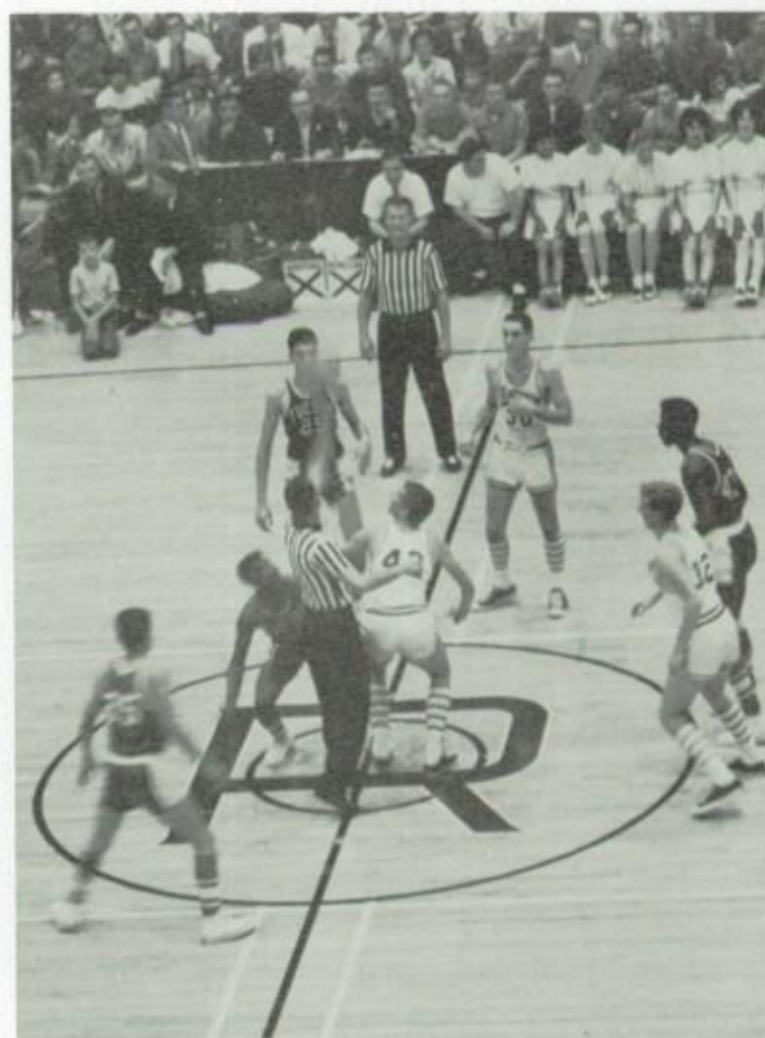

Suffering their first loss of the season, the **Rangers** were crushed by the powerful Badgers on Rincon ground. **Tucson** grabbed the game 41-34 despite the loss of benched Ray Kosanke, their 6-foot 9½-inch center.

In an overtime session with the Lancers on **Salpointe's** court, the **Rangers** finally routed the Lancers, 38-36, battling 6-foot 10-inch Dave Mills, the Salpointe forward, and coming out victorious.

After gaining a lead of eight points, the **Rangers** never gave **Phoenix Union** a chance to revive. Smashing the Coyotes 54-44 boosted the Rincon record to 4-1.

The Ranger quintet closes in on the Panther with the ball.

Bouncing back from a two-game losing streak, the Purple and Whites clobbered Carl Hayden. The **Falcons** kept the score close throughout the game, but couldn't catch up to the **Rangers**. The final score — 46-42.

Coach King gives the squad a pep-talk in time-out.

The **Rangers** suffered their second loss of the season to the Warriors of **Pueblo**. With the score fairly even throughout the game, the Warriors finally gained and held the lead which won the game 38-41.

Again tasting discouraging defeat, our hardwood boys fought desperately, trying to break the **Amphi** winning streak. The battle between the **Rangers** and the Panthers kept the crowd sitting on the edges of the bleachers until the final buzzer sounded. The effect of this tense meeting was in Amphi's favor 35-41.

Armstrong hovers over the ball.

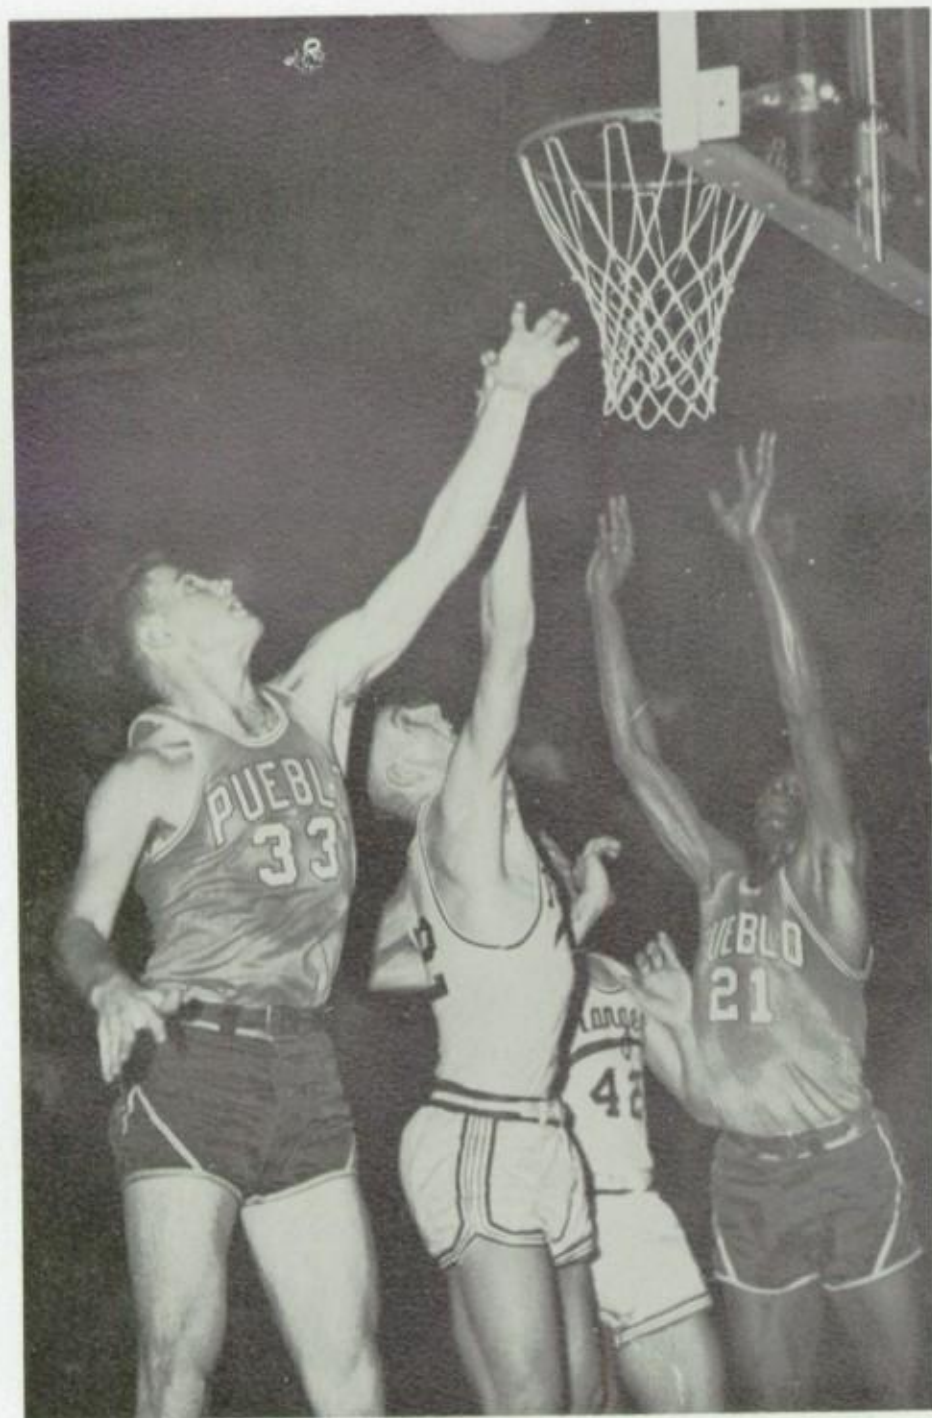

"Beat Catalina!" was the cry heard throughout the packed gym. And the "famous Rincon five" were out to do just this. Jackson, Armstrong, Kellogg, Vail and Dickerson proved too much for the hopeful **Trojans**, and Catalina's strong attempt was squelched by the **Rangers** 51-47.

With a 6-3 record, **Rincon** met **Phoenix Central**. Though the Rangers kept in the game the whole way, the Bobcats came out the victors. The score was 52-61.

Having met and lost to Tucson High once earlier in the season minus the Badger's star Ray Kosanke, the Rangers knew they were up against a brick wall with the big 6' 10" ballplayer back in the game. Undefeated **Tucson**, who went on to become both city and state champs, ran over the **Rincon** roundballers 51-73.

The six feet ten inches of **Salpointe's** Dave Mills proved too much height for the **Rangers** in their second game with the Lancers. Having overcome this handicap in the first meeting, Rincon had an off-night in the second, slipping behind in the third quarter. The game ended 51-58 in the Lancers' favor.

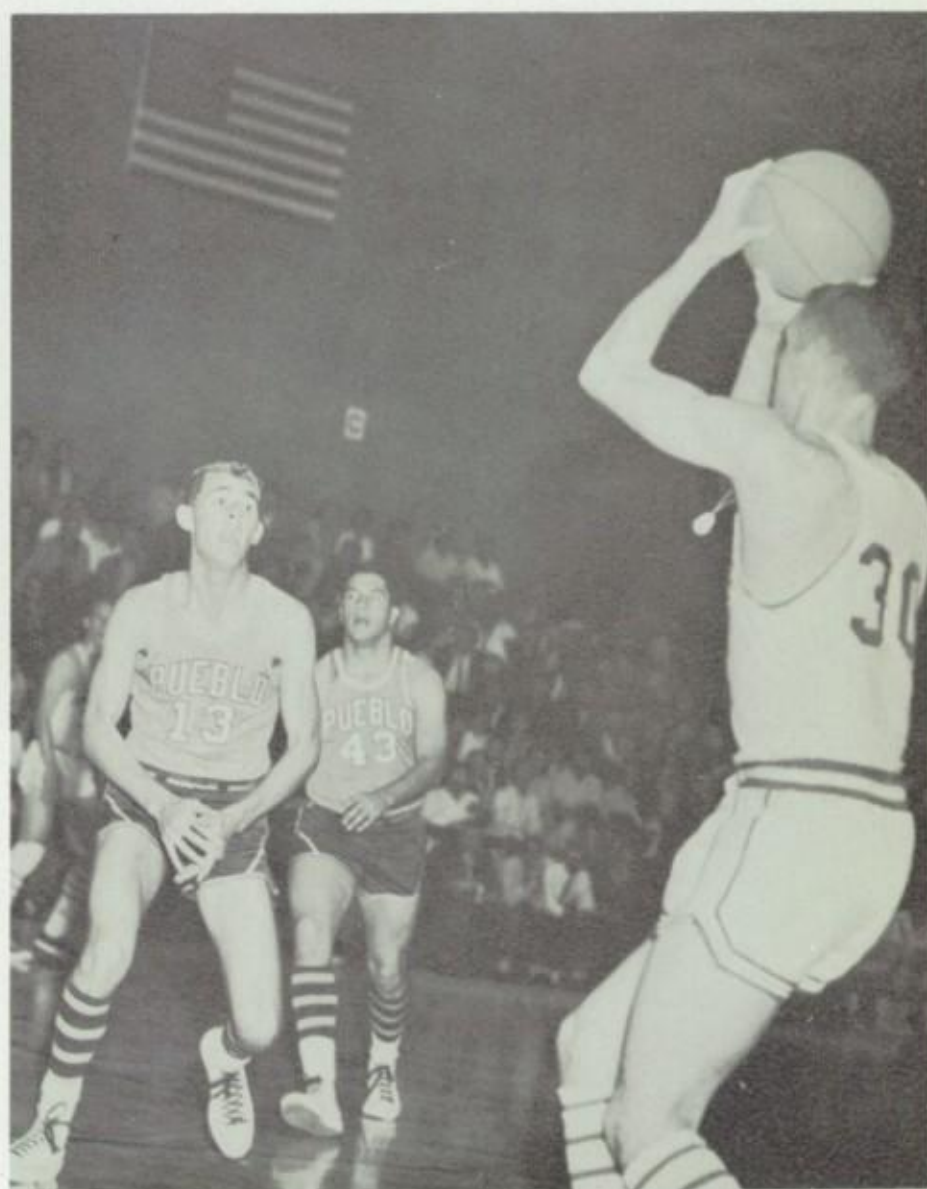

The Rangers struggle to snag the rebound.

The **Rangers** rebounded back from a three-game losing streak in their meeting with Phoenix **St. Mary's**. Throughout the game the Rangers kept a reigning hand, and closed the score with an eight-point lead, 53-45.

Facing **Pueblo** for the second time this season, the Purple and Whites attempted to overthrow the Warriors, but were again met with Pueblo's speed and drive, which lost the game for the **Rangers**. The final outcome was 48-53.

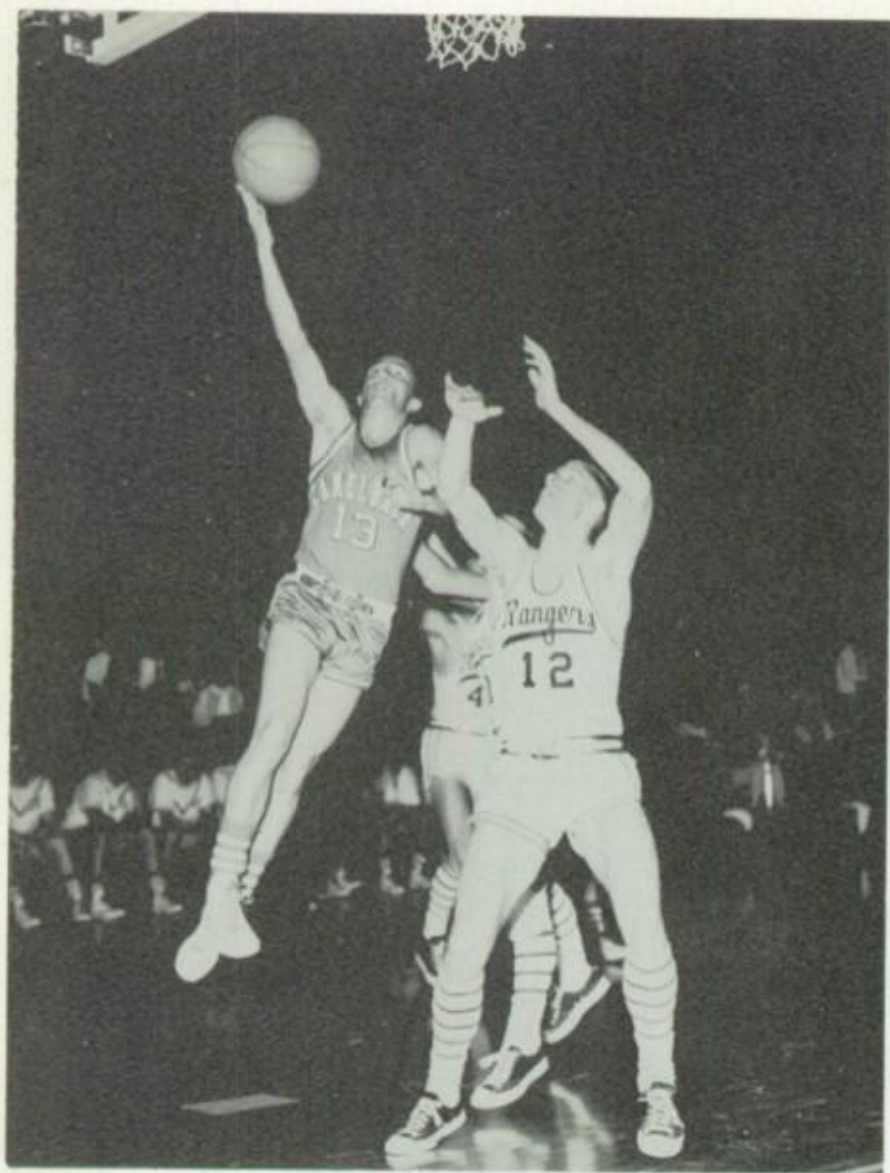

Mills fouls Vail while attempting to block his shot.

Kellogg sinks another accurate jump shot from outside.

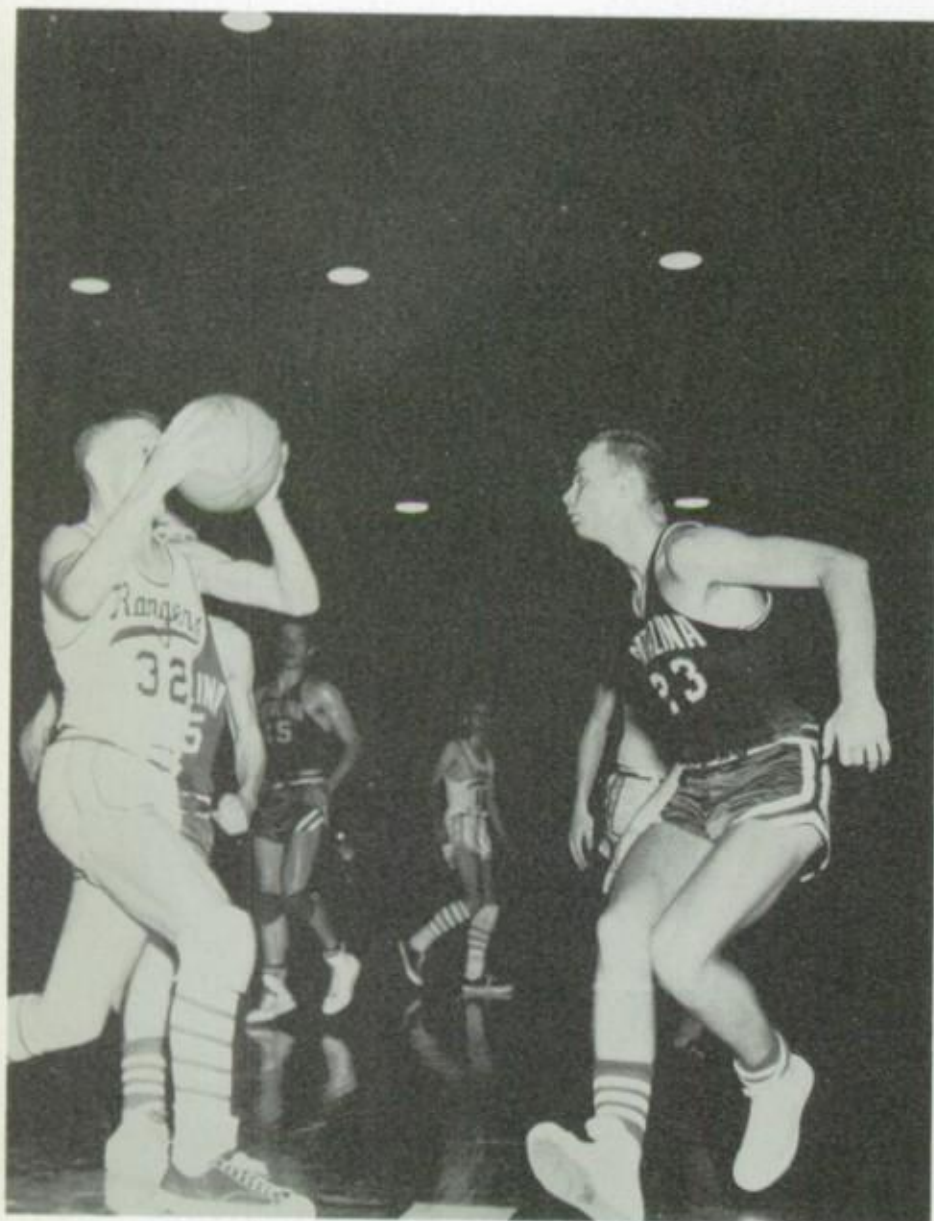

Nile Vail gets ready to grab the hoped-for rebound.

Boosting the Ranger slate to eight wins was the **Camelback-Rincon** game. The game was hard-fought, with the score jumping back and forth from one team to the other. But the outcome was in favor of the big Purple — 58-55.

Following up the Camelback victory, the **Rincon** roundballers made up for a previous early-season loss to the **Panthers**. With the scoring of Kellogg and Jackson, the Rangers grabbed the Amphi game with a final score of 61-52.

Pace and Dickerson reach for the Trojan roundball.

Armstrong hesitates before passing to an unguarded teammate.

**Rincon's** final loss of the season was handed by **Washington** High School. When Washington cut loose in the second half, our chances to catch up became slim, and the game was taken by them 51-61.

The last game of the season brought the **Rangers** face to face with their Eastside rivals, the **Catalina Trojans**, for the second time. Having been previously defeated by us; the Trojans were "out for blood." In a fast-moving game, Trojan Clive Seal paced Catalina, while Jackson and Kellogg led the Rangers. When the final buzzer sounded, Rincon held the game 50-43, winding up a 10-8 season.

# TRACK

With the coming of Spring, track swings into action. This year the Rincon cindermen are looking for a rough but prosperous season. A heavy schedule has been made for them, but the varsity trackmen, having the necessary experience and drive, should set school records in such events as throwing the shotput, hurling the discus, jumping the hurdles, the high jump and broad jump, and pole vaulting. With a host of returning lettermen, city records should be made in relay meets.

In the mile, seniors Jim West, Larry Copenhaver, and Ed Konrath have excellent timing, and junior Bob Stiffler is doing 3:21 in the three-quarter mile. Coach Cody Mothershed, assisted by Coaches Williams, Swoveland, and Kershner will lead his tracksters to a fine '62 season.

The hard-working, mileage-making, Ranger Cross-Country team had the most successful season of Rincon's history. The harriers remained undefeated the whole season and came up with four perfect scores of their eleven victories; these were over Pueblo, Tucson High, Salpointe, and Amphi. The record for Rincon's 1.9 mile course was lowered from 10:03 to 9:29 by Ed Konrath, followed closely by Jim West.

Coach Cody Mothershed directed the daily workouts, which ranged from six to ten miles, to lead his team to the lowest score (low score wins) in the history of the State Cross-Country meet and to Rincon's first state championship in any sport. Next year Mr. Mothershed will have three of the top seven runners returning, and he is hoping for an equally successful season.

The Rincon Varsity Wrestling team boasted a season slate of 8 victories and 5 losses. Sparked by All-State wrestler Gregg Pittman, the Rangers won six of their last seven matches. Starting slow with a loss to Mesa, the Purple and White downed Pueblo and Ben-

son, were defeated by Tucson, Catalina, and Yuma, grabbed three more wins over Benson, A.S.D.B., and Kofa, suffered a second loss to Yuma, and wound up the season by beating Salpointe twice, and smashing Glendale.

With no place to go but up, and supported by a host of returning lettermen, Coach Kline's gymnasts look for a tough but promising season. Helping the newcomers to improve the last year's 0-8 record will be one of the returning performers, Benis Wood. Benis, who captured fourth place in the state gymnastics last year on the trampoline, will be trying to bounce his

way into state for the second time. Other returning gymnasts will be Dick Alfaro on the parallel bars and side horse, Eddie Groenert on the horizontal bar, and Vance Campbell in free-exercise. All will be ready and capable to strengthen the squad and make this a successful season.

Lawdy Flanagan, Charles Elkins, Bob Merrill, Jerry Mindell, Dean Huntington, Dave Beebe, Mike Neale, Brian Bell, Ken Engle, Dave Allen, Byron Steffens, Coach Carrillo.

The Rincon Golf team, under the coaching of Oscar Carrillo, has a good start in the '62 season. The duffers have picked up 7 wins to just 2 losses in the matches they have played thus far. They ran over T.H.S. in the first match of the season. From there, they traveled to Phoenix to the Four-Way Tourney, beating Coronado, West Phoenix, and being downed by Brophy. The Rangers then clobbered Catalina and Miami, lost to the U of A Frosh, again took the Badgers, and grabbed Flowing Wells in a 9-hole match. If the rest of the season is as successful, Coach Carrillo's golfers will take a high city berth.

The season looks very hopeful for Coach Coleman's varsity tennis squad after bringing home three straight victories from Yuma and Pueblo. The racket swingers took the Criminals first on Rincon's courts 7-0 with Dick Johnson playing the only split set. Yuma returned on Feb. 3 for a second time only to be downed again. The Crims only managed to win one match. This was one of the season's closest matches. On Feb. 6, the Varsity and J.V. teams traveled to Pueblo for a 6-1 win. With their excellent showing so far, the Rangers should prosper well this season.

# GIRLS' SPORTS

Rincon High has an excellent athletic program for girls. Under its sponsor, Miss Joan Pepper, the G.A.A. has set up a variety of sports for each season in which any girl interested may participate. In the autumn field hockey is a favorite. The girls' field hockey team this year competed against other schools, and chalked up many victories. With the onset of winter, basketball takes precedence. Girls' basketball, though the rules are different from boys' basketball, is just as much fun and exciting. Badminton, tennis, and archery have also been competitive sports in which Rincon has participated. The girls' spring sports are softball, golf, gymnastics, and track and field.

Three Rincon students, Peggy Cox, Jewel Danielson, and Donna Rice hold a national record for high school girls in the 440-yard dash relay. The girls' volleyball team placed third in the city. Cathy Blumenstetter placed second in the Catalina Invitational Archery Tournament.

Members of G.A.A. are awarded letters on a point system — 50 points for a minor letter and 100 points for a major letter.

The Rincon Girls' Tennis team is off to a great start in the '62 season. Winning their first three meets over Yuma 7-0, 7-0, and Pueblo 6-1, they have suffered only one defeat by Casa Grande 4-3. Under the guidance of Miss Lois DuBois, the Tennis team should boast a victorious season.

On Saturday, January 20, 1962, ingenious Seniors turned the Rincon cafeteria into a literal paradise for the long-awaited Senior Prom. Working long hours to create the enchanting illusion of "Paradise Deep," the upper classmen provided a gala evening for all in attendance. After floating to the dreamy music provided by the Broder-Fortman Orchestra, captivated couples drifted on to after-prom activities. The entertaining movie, "Bells Are Ringing" continued in the spirit of gaiety as did the breakfast which followed at the Ramada Inn. Tired but happy, Promers returned home never to forget their memorable Senior Prom.

Rodeo Week brought with it the return of the Old West as Rincon students turned to their western wear and swaggering gaits in that time of year when Arizona's past is relived. Wednesday night, Lettermen created the authenticity of an old western barn with piles of straw spread throughout. The Rodeo Queen was crowned as the crowd's anticipation came to a close. The evening also ended the beard-growing contest much to the pleasure of many young belles. Thursday morning, the Royal Rincon Rangers Marching Band and Pep Squad proudly represented Rincon in the annual Fiesta de los Vaqueros parade.

## Honey Hunt Week

The Girls' League hosted the long awaited Twirp Week, this year under the name of The Honey Hunt. The boys were unsuccessful in avoiding their fate as turn-about-week began. An all-girl assembly held on Monday informed them of the week's happenings. On Tuesday laughs were provided for all by the boys' fashion show and Senior Girls vs. the Faculty basketball game. Knees were the chief occupation of the day on Wednesday when even the boys joined in on enjoying the one day bermudas could be worn to school. Hush Day was one of agony for every girl as she was forced to remain quiet for the entire day. Friday ended the week of merriment with the Mardi Gras Ball when the King was crowned.

Important plans are made for the Junior Prom.

As this school year draws to a close, the 1962 RAWHIDE becomes a reality.

It has been a rewarding experience for me to watch the book grow from the hopes, dreams, and ideas of a few to a finished product--a book in which we, as a staff, have tried to capture moments you will want to remember and experiences you will wish to relive.

We began optimistically, only to find out that it is no easy job, this business of putting out a yearbook. The glue-stained tables down in J-3 bear witness to countless nights spent in pasting pictures and copy, making layouts, and, in off moments, reading poetry to Manny and the boys.

There were times when I thought we'd never finish, but we have, because someone was always ready and willing to give another hour of time, another word of encouragement, and an abundance of enthusiasm!

It is to the administration, faculty, student body, and most of all, to the sponsor and staff of the 1962 RAWHIDE, that I express my gratitude for making this book possible. It's been exciting for me to work with you. The bouquets are yours.
